This is a great pattern to use with vintage embroidered hankies.

Show off the embroidery by auditioning the placement of the template on the fabric before cutting with pinking shears.

## Body Instructions:

- 1) Cut out with pinking shears, front and back of body using templates
- 2) Lay the body right sides facing out
- 3) Fold the triangle for the beak in half twice- matching two corners when you fold and tuck in between the layers.
- 4) Cut 3 ribbons 1/4" X 2" and tuck in between the layers at the top of head
- 5) Sew all the way around -leaving a 2" opening along the bottom for stuffing
- 6) Stuff firmly with poly fil stuffing
- 7) Finish sewing the opening closed
- 8) Set aside for later

## Wing Instructions:

- 1) Layer batting in between the wing fabric {right sides facing out}
- 2) Cut out with pinking shears, using template
- 3) Sew all the way around the wing
- 4) Repeat with other wing

## Finish Instructions:

- 1) Place a wing on either side of the body of the chick
- 2) Place a button at the top of the wing and sew in place.  
\* Sew through the button, wing, body, wing, button and then repeat this until the buttons are secure
- 3) Sew buttons for eyes
